"INJLA" FIRST RAY OF LIGHT

**A TREASURE HOME OF IDEAS  
SOLUTIONS FOR YOUR DREAM KITCHEN.....**

**AN ISO 9001:2008 CERTIFIED COMPANY**

## ABOUT US

Perfect Home Appliances is one of the leading companies in the Home appliances sector. Driven by the zeal to achieve excellence, the company has a well-organized research and development department to innovate the newest models and follows a TQM (total quality management) approach.

We are a leading manufacturer, supplier and exporter of LPG Gas Stoves, Domestic Pressure Cookers, Hurricane Lantern, Kerosene Stove, Kerosene Lamps, Burners and their parts. Our products, available in various models, are made with precision and accuracy under the supervision of experts. They are also customized as per the demands and technical specifications provided by the clients.

Our vast expertise in the industry and our continuous improvements in the quality of our products have fetched for us a wide client base from across the world. With our commitment to achieving total customer satisfaction, we are fully capable of catering every order on time. Our competitive price policy has further elevated our status amongst the leaders in the industry. Director Speak

## WHY US?

Some of our specification, which make us a profitable business partner for our clients are :- Stick Adherence to quality standards and parameters of the Digest order :-

- Long & Diversified Domestic & Global Market Experience.
- Timely Deliveries
